

September 3, 2026

Subject: Notification of Panasonic Price Increase Effective November 2, 2026

Dear Valued Customer,

We are writing to inform you of an upcoming change to our Panasonic pricing structure.

Effective from November 2, 2026 there is a 4% price increase across our total Panasonic heating and cooling product range.

We recognise that any pricing adjustment can impact your business and whilst we have held our prices steady for as long as possible, this adjustment allows us to keep delivering the high-quality products, service and support you expect from us.

Current pricing will be honoured for all active orders in our system as of September 2, 2026, and any new orders received onward, subject to a final delivery deadline of October 30, 2026.

If you have any questions regarding this change, please do not hesitate to contact me or your Account Manager. Your new price list will be issued in October 2026.

We value your partnership with Turner Engineering and we look forward to supporting you in having a successful summer.

Sincerely,

Clint Tolkin
Sales Manager
Turner Engineering
